Veterans Court Docket Details

The Veterans Court docket is generally held on the last Thursday of each month beginning at 2:30 p.m., although intervening Federal Holidays may require that the Court be held on a different day. Not all Veterans Court participants will be scheduled to appear at each Veterans Court session.

Target Veterans

Eligible Veterans charged with misdemeanor and/or petty offenses who may suffer from mental health and/or substance abuse concerns and who pose a risk for reoffending in the absence of consistent treatment. Eligibility for participation shall be determined solely by the Veterans Justice Outreach Coordinator (“VJO”), in accordance with the rules, regulations, and applicable policies of the VA.

Participation in Veterans Court

Participation in the Veterans Court is voluntary and each Veteran participant must expressly, knowingly, intelligently and voluntarily consent in writing to participation.

Term of Veterans Court

Each Veteran participant must successfully complete a term to be determined by the Court based upon the individual circumstances of each Defendant (usually not to exceed six (6) months).

Each Veteran participant must complete and execute a participation agreement. Other documents, such as applications for VA benefits, may be required by the VJO before commencement of each Veteran’s Veterans Court term.

Determination of Completion

The participating Veteran, through the Federal Public Defender (or other attorney) may seek a determination of successful completion by the presiding Judicial Officer upon completion of all requirements of his or her Veterans Court term. The Judicial Officer presiding over the Veterans Court possesses the discretion in determining whether a Veteran has met the requirements for successfully completing the Veterans Court term.

Disposition Upon Successful Completion
